

RICOH IMAGING AMERICAS CORPORATION strives to provide the highest level of customer service by partnering with Authorized Resellers for our Digital Imaging and Sport Optics product. Purchasing through our Authorized Reseller network assures that you receive genuine Ricoh Imaging product and service. The purchase of Ricoh Imaging products through UNAUTHORIZED retailers may exclude you from warranty service and support.

While Amazon is an authorized online dealer of Ricoh Imaging product, many resellers who sell through Amazon are not. When purchasing, it is important to note where the product is being “shipped from and sold by,” which is stated in the header for each product on Amazon.com

Please purchase from Authorized Resellers only.

This document may be modified at any time by RICOH IMAGING AMERICAS CORPORATION to add, delete or modify information about Authorized Dealers. RICOH IMAGING AMERICAS CORPORATION is not responsible for typographical or other inadvertent errors in this document.
